

THE YMI GROUP QUALITY WITHOUT COMPROMISE

AMITA ADVENTIST LAGRANGE MEMORIAL HOSPITAL

AMITA Adventist La Grange Memorial Hospital has maintained the highest levels of medical excellence in west-suburban La Grange since the hospital's opening in 1955. The hospital has a renowned reputation for providing the highest quality medical care within a high tech environment, while maintaining a personal touch.

When outdated Emergency Department facilities started to impede the Medical Center's ability to live up to that reputation, they reached out to THE YMI GROUP. Some of the challenges the Hospital Emergency Department faced included an inadequate exam room capacity, lack of privacy, excessive noise, and outdated design. All of these obstacles inhibited the Emergency Department patient care in various ways.

To overcome these challenges, and facilitate the best possible patient outcomes, a professional design team which included THE YMI GROUP collaborated with physicians and staff to design a new Emergency Department incorporating the newest advancements in technology.

The result is a 10,000 square foot of new and renovated Emergency Department which addressed these key issues, and expanded the department's existing facility by 50 percent. The department also expanded capacity from 16 to 23. Wall-mounted technology allowed for bedside patient registration, and the rooms are now private, with large sliding doors. The department also has a new negative pressure airflow isolation room to prevent spread of airborne disease.

THE YMI GROUP worked together with AMITA Adventist La Grange Memorial Hospital in developing an Emergency Department suited to fit their evolving needs. The completion of the project underscores the hospital's commitment to high tech patient care with a personal touch.

WHO WE ARE

The YMI Group was incorporated in 2009, with Safety, Quality and Service being our main objectives. Everyone at TheYMI Group is dedicated to ensure we achieve these requirements every day, without exception.

With over 30 years of experience in the construction industry, we provide sound, professional, and cost effective service, as well as "Quality Without Compromise" each and every time.
